

**Mexico City, September 21<sup>st</sup>, 2017** - Quálitas Controladora, S.A.B. de C.V. ("Quálitas", "The Company" or "the Group") (BMV: Q \*), informs its shareholders and the investment community that after the September 19<sup>th</sup> earthquake in central Mexico, the insurance company continued its normal operations in the area and the claims structure did not interrupt its functions at any time providing service to the policyholders.

Fortunately there were no incidents to report among our employees and none of the buildings in which the offices are located had structural damages.

Until today at 11:30am Mexico City time, Quálitas has received 260 earthquake-related reports, this figure compares to the approximately 4,100 claims it assists daily. The company does not expect a significant impact on the claims cost as consequence of this event.

We reiterate our commitment to policyholders to protect their assets at all times and we recognize our responsibility to keep investors informed with opportunity and transparency.
