

Mexico City, April 9, 2013

Quálitas Holding, S.A.B. de CV informs that the Law for mandatory insurance in case of third party liability for automobiles and trucks that travel in federal roads and bridges, has been approved in Mexico by the Lower House. Approval is still pending from the Upper House. Quálitas Holding, is analyzing the impact the Law will have on its results once it is approved and goes into effect.
